- 8. Seed content:** 0 *Seed content from 0-10 none-fully seeded.*
- 9. Weeks cured:** 5+ *If know the number of weeks your sample has been cured.*

Comment - When I first saw this colombian gold I was overwhelmed by the amazing black color leaves coated in so much sticky thc. This is some of the prettiest looking plants I have had the pleasure to smoke.. The buds are extremely dense 10/10 for bag appeal.
